

You'll never see these ingredients in Dermagenix Solutions Oil-Free Skin Balancing System:

- Chemical Blotters
- Sulfates or Soap
- Peroxides
- Harsh Acids
- Crying Alcohols
- Isopropyl Myristate
- Pore-Blocking Ingredients

While some of these ingredients do have oil-reducing benefits, their harsh action can over-dry and irritate your skin. Even worse, by stripping your skin of necessary oils they can “fool” your oil glands into pumping out more oil. This creates a vicious cycle that leaves your skin oilier than ever.

Your Customized Plan

1. Cleanse

___ Pore-Clearing Cleanser ___AM ___PM

Is your oily skin out of balance?

Now, complete control is yours everyday with **Dermagenix Solutions Oil-Free Skin Balancing System.**

Why is my skin so oily?

Your pores produce an oil substance known as sebum. This greasy material is secreted by small sacs called “sebaceous glands” sprouting off pore walls deep within your skin. As sebum flow increases, pores must open wider, so the mouth of the pore appears larger at its opening on your skin’s surface. Driving sebum production are the hormones progesterone and testosterone, both of which are stronger during your teens and often into your 20’s, 30’s, and sometimes beyond - especially in men. These hormones kick sebaceous glands into higher gear. When groups of sebum-releasing pores collect in one spot, skin takes on a greasy, “orange peel” look.

If you have oily skin, you probably have:

- * Surface shine, even shortly after washing
- * Enlarged and blocked pores
- * “Orange peel” skin especially on and around your nose, cheeks, forehead and chin.

How can I bring my oily skin into healthy balance?

Oil-Free Skin Balancing System is complete care for your oil-prone skin. Gentle, yet effective, this system supplies you with pore-purifying essential oils, skin soothing Green Tea and Lavender, and oil-balancing Sulphur - everything your skin needs to look fresh, radiant and shine-free for hours!

With **Dermagenix Oil-Free Skin Balancing System**, you’ll see:

- * Ultra clean, fresh supple skin - never tight or dry
- * Instant shine-control that lasts all day
- * Smaller, more refined pores
- * Makeup that stays in place longer - with fewer touchups

Every Morning and Night

1. Cleanse

Cleansing is the first step to bring your oily skin into healthy balance. Extra-Strength oil dissolvers clean deep into pores - where problems begin - without stripping away your skin’s natural protective barrier.

Pore-Clearing Cleanser

Oily: Acne-prone

- Extra-strength, sulfate-free formula dissolves oil on contact
- Pore-purifying essential oils balance pore ecology
- Deep cleans to keep pores under control

JM-Bioglycolic Oily Skin Cleansing Gel

Oily: Acne-prone

- Fast-acting formula targets oily/prone skin
- Glycolic acid helps clear acne lesions
- Leaves skin feeling exceptionally clean and soft

2. Balance

Finish cleaning with skin soothing Herbs, pore-purifying Essential Oils and oil-neutralizing Sulphur to help prepare your skin for moisture and other treatments.

Oil Neutralizing Astringent

Slightly to Extremely Oily

- Contains oil-neutralizing Sulphur
- Pore-purifying Eucalyptus & Lavender balance pore ecology
- Alcohol-free, with soothing Herbal Extracts

3. Moisturize

Your oily skin needs moisture just like any other skin. In fact, you may be experiencing tightness and flakiness from trying to over-dry your oily condition. Restore comfort and reprogram your skin to hold more moisture - without adding oil.

Oil-Free Hydrating Fluid

Sensitive: Oily to Normal. Rosacea-prone

- Reprograms skin to hold more moisture - without oil
- Lightweight - won’t clog pores or cause shine
- Dermatologist-tested for irritancy and sensitivity

4. Control

Help your skin get into control. Powerful oil-absorbing micrograins absorb up to 400 times their weight in excess oil - and keep it away for up to 8 hours. Add pore-purifying Essential Oils hydrating Algae peptides, and now your skin has a chance to remain balanced and calm all day.

Shine-Free Solution

Slightly to Extremely Oily

- Shrinks large pores in minutes
- Keeps skin shine-free up to 8 hours
- Unique herbal formula helps eliminate imperfections

1 to 3 times a week: Special Care

Your skin deserves a little extra care. Smooth away dead cells from your skin’s surface and eliminate pore-clogging impurities before they become a problem. Give yourself a cleaner, clearer, smoother skin in just minutes a day!

Foaming Facial Refiner

Oily to Normal

- Microbeads of soy, jojoba & rice bran wax in a deep cleansing gel
- Sulfate-free formula quickly smoothes rough skin
- Whisks away dead surface cells & pore-clogging impurities

Zinc & Sulphur Masque

Acne-Prone: Oily, Congested, Visible Imperfections

- Zinc blend absorbs and balances oil
- Great for “spot” control
- Fast-acting relief
